

Cappuccetto Rosso

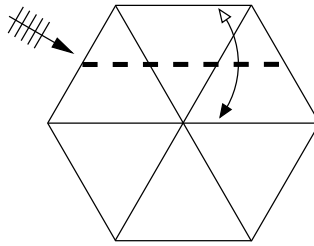

Roberto Gretter, ottobre 2002

... e se pensate che il nome sia fuorviante, avete ragione.

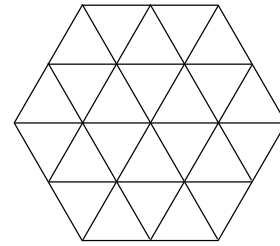

nota: altri origamisti hanno inventato questo modello prima di me :-)

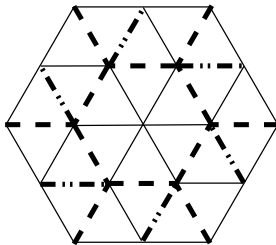

1. prepiega

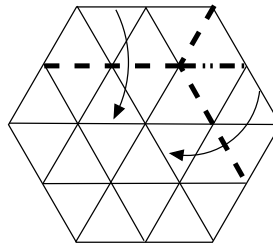

2. porta un lato al centro e riapri; ripeti 6 volte

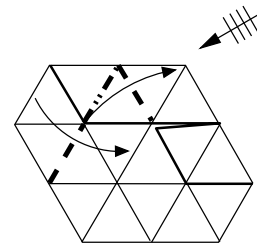

3. prepiegatura terminata

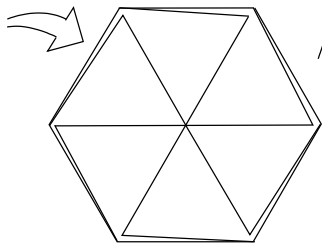

4. chiudi il modello (vedi passi intermedi 5 e 6)

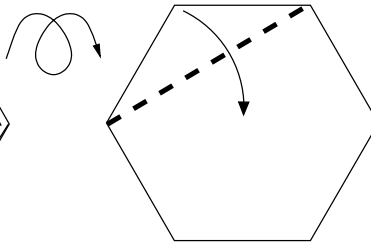

5. piega al centro

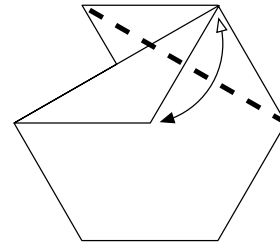

6. ripeti altre 4 volte

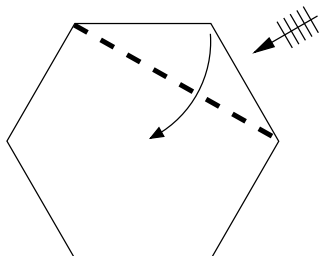

7. ... cosi'

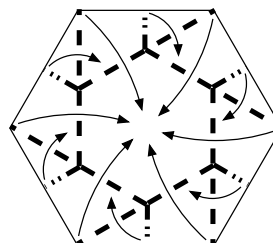

8. piega al centro solo sullo strato in alto

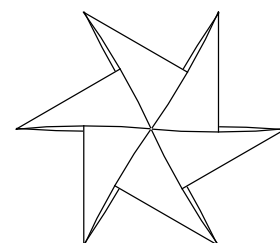

9. prepiega sullo strato in alto; poi riapri come al passo 8

10. ripeti 8 e 9 altre 5 volte, procedendo in senso orario

11. chiudi tutto assieme sulle pieghe fatte ai passi 8 e 9

12. ... dov'e' Cappuccetto Rosso, dici? prova a chiederlo al lupo...
