

vaso#1

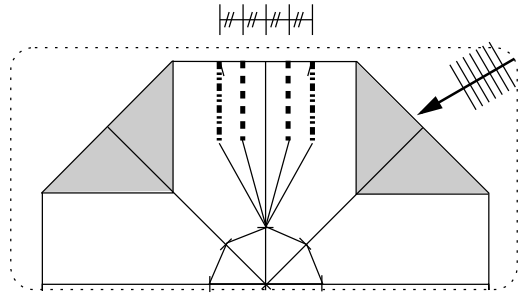

Roberto Gretter, estate 2004

usa cartoncino leggero, o meglio carta "pelle d'elefante"

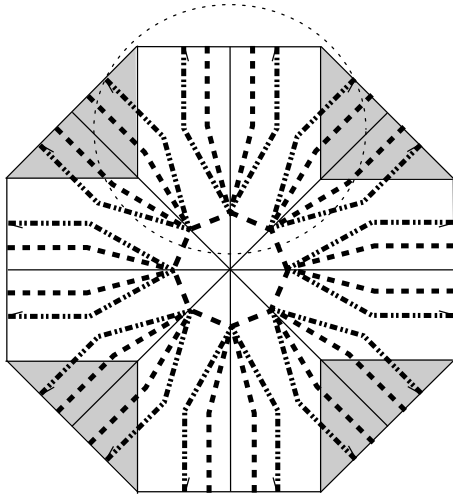

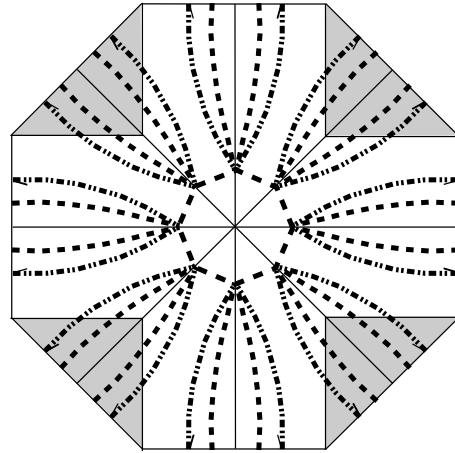

12. piega a monte solo dove indicato

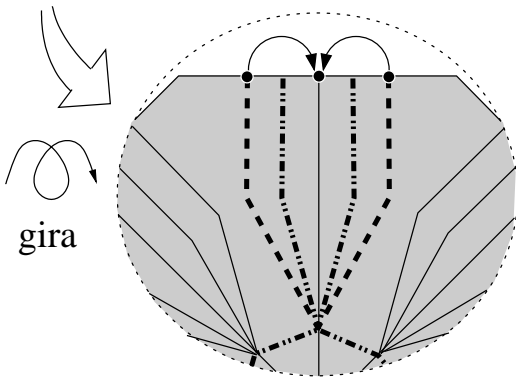

13. prolunga verticalmente le pieghe; nota i riferimenti esterni; ripeti i passi 11-13 su tutti i lati

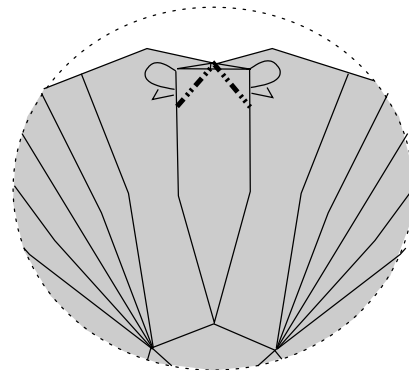

14a. crease pattern completo

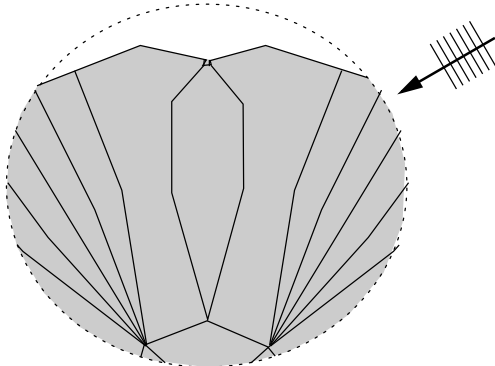

14b. puoi modificare i passi 11-13 arrotondando le pieghe

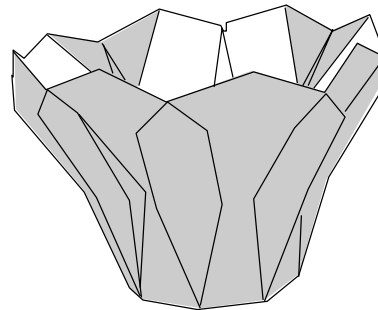

15. riforma le pieghe; il modello ora non è più piatto

16. blocca con 2 pieghe a monte

17. ripeti i passi 15-16 sugli altri 7 lati

18. vaso#1 finito
